Terrain

Long Distance: Hilly forest terrain, deciduous runnable forest with a dense network of paths offering the wide range of route choices, patchily (shorter courses and the second part of longer courses) forest with undergrowth.

Middle Distance: Deciduous forest with undergrowth or thicker young forest with changing runnability and with a great number of clearings, overgrowing grassy rootstock areas, thickets, individual trees, some stones, small erosion gullies, flat and hilly terrain. There are a lot of rootstocks in various decay stages (marked by the symbol of a rootstock or knoll). In case there are a lot of rootstocks, these will be marked by the symbol of a broken ground. Very careful navigation is needed in the parts with reduced visibility!!

You can familarise yourself with the terrain of the area on the get out bus stop 154 in the pernament courses <u>Areál stálych kontrol Pekná cesta</u>

Forbidden area is shown in Invitation, it will be marked near the event centre. On both days courses cross cycling paths and the last part of some courses on the long distance (1.10) is led on the cycling paths (around 80m). Be careful.
