

Bulletin 2 Final information
Slovak ranking of individuals on the long distance

Date: 1.5.2023 (Monday).

Event centre: sport areal near ZŠ Alexandra Dubčeka Majerníkova 62, Bratislava.
(48.1560017N, 17.0478831E).

The school building is undergoing renovation work. The construction site is fenced. Please respect the guidelines for movement in the area of the school campus. The situation is constantly changing, it is impossible to describe it in advance. Thank you for your understanding.

Classification: open daily individual long-distance race with a specified order of control points for categories:

W 12A, 14A, 16A, 18A, 20A, 21A,B, 35A, 40A, 45A, 50A, 55A, 60A, 65A, 70A, M 12A,14A, 16A, 18A, 20A, 21A,B,C, 35A, 40A, 45A, 50A, 55A, 60A, 65A, 70A.

Public categories: W 10, M 10, MWR (accompanied children), N - beginners (relatively easy course for beginners), K – fitness (orienteering more demanding course with a length of approximately 3,2km).

Ranking coefficients for category A = 1,1; B = 0,8 and C = 0,6.

Registration: 29.4.2023 from 10.00 to 12.00 together with SRJ sprint and MSR KO
1.5.2023 from 8.00 to 9.00 in event centre.

Start 00: 10.00. Interval.

Public categories: W 10, M 10, MWR (accompanied children), N have free start („SI box start“) from od 10.00 to 12.30.

Predicted times of the winners: are according Slovak orienteering rules in the article 12.11.

Maps: processed according to ISOM 2017-2, status: August 2022 - March 2023. Author: Dušan Furucz, printed on waterproof paper.

Kráľov vrch	scale 1: 10 000, e= 5m	size A3 for category M35A
Kráľov vrch 2	scale 1: 15 000, e= 5m	size A4 for categories M16A, M18A, M20A, M21AB, W16A, W18A, W20A, W21AB
Kráľov vrch 3	scale 1: 10 000, e= 5m	size A4 for others categories
Kráľov vrch – warm up	scale 1: 10 000, e= 5m	size A6 a training map without controls displaying place of event centre, start and finish to familiarize yourself with the terrain and the map will be available on the given day in the event centre. Entry to areas

marked by symbol 709 Out-of-bounds area is prohibited. Please do not enter thickets under power lines - there are many animals hiding from people.

Control descriptions: They will be available in the starting corridor at time -2. There are no KS descriptions on the maps. At the start, there will be no aids for fixing the control descriptions.

Distances:

Event centre – start: 1 500 m, elevation 80 (it is possible to use the training map on the way to the start - the distance and the route are then according to your decision). The direct route to the start will be marked with blue and white ribbons.

Event centre – finish: 800 m route is marked by red and white ribbons.

Parking: The organizer does not provide. Parking options in the vicinity of the event centre and assembly area are very limited. We recommend using public transport. The nearest stop is ZŠ Majerníkova - line no. 32.

Inaccessible or dangerous areas, prohibited tracks: There are several old bunkers in the race area, which, in addition to the entrance to the underground, also have dangerous ventilation shafts (well). They are marked on the map with the symbol 203 Stone pit or cave. The dangerous places will be marked with red tapes in the terrain around the controls and optimal courses.

Competitors may not enter or pass through areas, overcome objects (even with a part of the body for the purpose of punching control points), or proceed along objects marked with symbols, where it is stated in the ISOM 2017-2 map standards, specifically for symbols: 520 Prohibited area and 711 Inaccessible route according to Slovak Orienteering Rules article 18.8. They are not marked in the terrain.

Warning: To show the running, some earth embankments are also supplemented with the symbol 210 Stony surface, slow running, indistinct earth embankments with a stone base are shown only with the symbol 210 Stony surface, slow running

Terrain: typical Small Carpathian deciduous forest with a medium density of roads. Mostly good running. In the southern part of the area, long valleys with short steep slopes and earth embankments, in the smaller part with a lot of terrain details.

Refreshment: There are five refreshment stations in the terrain. One is located at control point with number 109 marked in the control descriptions and four are marked on the map with the symbol 713 Refreshment place. The offered drink will be still drinking water.

Refreshment in finish: tea or water with syrup after completing the course.

Punching system: Contactless punching system Sport Ident Air+ enabling contactless punching up to distance of approx. 0.5 m.

Preliminary results: <https://liveresultat.orientering.se/followfull.php?comp=25955&lang=en>

Rules, protests: The competition is governed by the Slovak Orienteering Rules and the Competition Rules for year 2023. Protests with a deposit of €10 to the main referee.

Results announcement: On Monday 1.5.2023 in the summary for both races SRJ sprint + SRJ long competitions at approx. 2:30 p.m.

Jury: It will be formed, if necessary, on the spot from representatives of the clubs.

Information: fba.prihlasky@gmail.com

First Aid: will be provided at the event centre.

Toilets and washing: Toilets, changing rooms and showers will be available in the school building.

Catering: at event centre will be a buffet with standard assortment (coffee, tea, beer, soft drinks, sausages, gypsy, lox, pancakes).

Waste separation: plastics into yellow bags and other waste into black ones. Thank you.

Personal data protection and photography By registration to this race, each participant agrees to the publication of their personal data (name, category, club affiliation) in the application form, start list and results on the race website and in the SZOŠ information system. During the race, visual records (photographs) will be made for the personal needs of the competitors as a memory of the race, for the promotion of the club, for the purpose of promoting the orienteering, mainly from the announcement of the results and the run to the finish line. In the event that you do not agree to being photographed, immediately notify the relevant photographer of this fact.
