Terrain description

The race area consists of part of a sloping suburban park with numerous roads and artificial objects, and an adjacent built-up urban space. Very good continuity. The ratio of the representation of urban park (grass/forest) and paved roads on the tracks is on average 15:85%. We recommend athletic shoes. **Take extra care when running from the park to the city district (bumpy forest paths)**

Restricted areas During the race, it is forbidden to move outside the assembly point, except on the way to the assembly point and to the start.

We recommend coming to the Okruhovy Dom Armady from the NW side. From the bus and train stations, please follow the track on the map below.

Start bibs They will be issued at the presentation without fastening pins, please bring your own. Each runner is required to run with his bib number pinned to the front so that it is clearly legible to the judges.
